

ACCELERATING LEARNING AND RESEARCH

東京工業大学
Tokyo Institute of Technology

A Campus-Wide License provides unlimited use of MATLAB, Simulink and all the 100+ toolboxes to all students, faculty, staff, and researchers, on and off campus, on any device.

Gain access to:

- The same tools used by engineers and scientists
- Resources to increase MATLAB proficiency and complete assignments

Download what you need from your MATLAB portal:

<https://www.mathworks.com/academia/tah-portal/tokyo-institute-of-technology-1070812.html>

Get up to speed quickly with interactive online courses and tutorials. Free access is available in your MATLAB portal.

▶ MATLAB TA

MATLAB TA helps you to use MATLAB/Simulink in your learning, research, and extracurricular activities. Check out the office hour and contact MATLAB TA through E-mail, Twitter or Zoom.
