

How to use T2SCHOLA (For students)

In Tokyo Tech, the learning management system (LMS), T2SCHOLA, is available to browse course materials and to submit assignments.

Log-in to T2SCHOLA will be enabled on the next day after your Tokyo Tech e-mail address becomes available.

Also enrolled courses will be displayed on the next day after the enrolment registration on "Web system for S&F" is completed.

◆How to log-in

Accessing via Tokyo Tech Portal

Educational Services

教務Webシステム (Web system for S&F)

T2SCHOLA

TOKYO TECH OCW/OCW-i統合システム

東工大学修ポートフォリオ (TokyoTechPortfolio)

Accessing via smartphone app

iOS

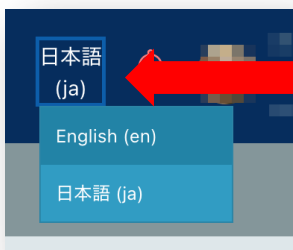

Android

Look for this icon.

◆Top page

You can switch the language with this button on the upper right of the screen.

Select the academic year and quarter to display a list of your enrolled courses. Then, select the course to access.

[1] Select the academic year.

[2] Select the quarter.

◆Course screen

Be careful not to miss the message from the faculty!

After the course is selected, the screen as left appears. Materials and assignments are posted for each course.

Message posted by a faculty in the announcement will be notified automatically to the Tokyo Tech email address.

◆ Assignment submission

Lesson3 issues

Write down what you learned in about 800 letters and submit it.

Submission status

Submission status	No attempt
Grading status	Not marked
Due date	Friday, 11 March 2022, 12:00 AM
Time remaining	6 days 9 hours
Last modified	-
Submission comments	▶ Comments (0)
