

# How to use T2SCHOLA

In Tokyo Tech, the learning management system, T2SCHOLA, is available to share class materials and videos with students and to communicate with them.

The following page appears by logging in the Tokyo Tech portal and clicking the “T2SCHOLA” link button.

## ◆Set the language setting to English

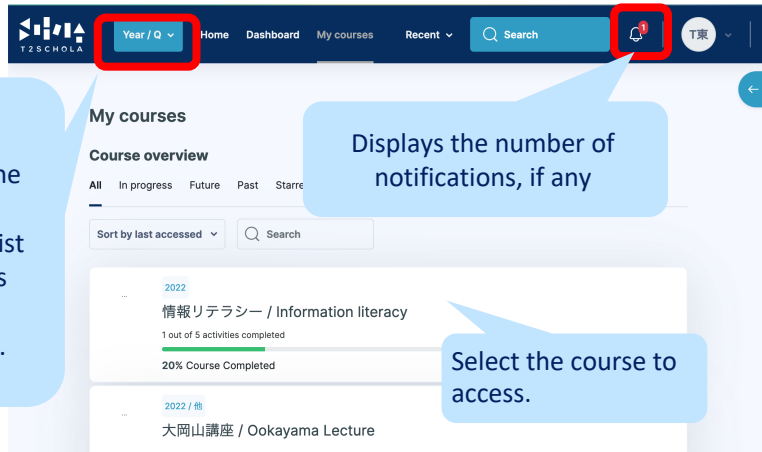

1. Click on Name Icon  
2. Click on “言語設定”  
3. Click on “English”

## ◆Top Page

A list of courses for which you are registered (My Courses) will be displayed.

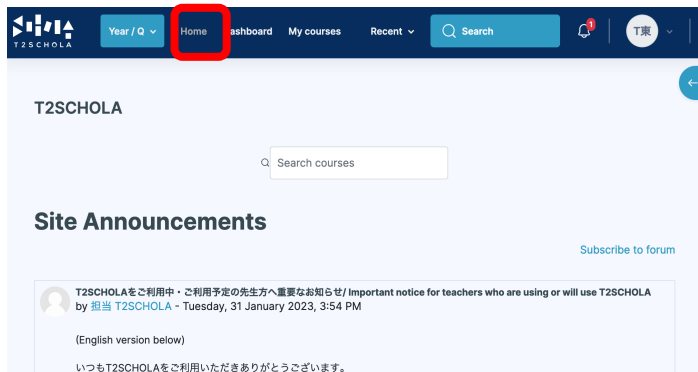

After selecting the year and quarter, a list of courses will be displayed.

Displays the number of notifications, if any

Select the course to access.

## ◆Home screen

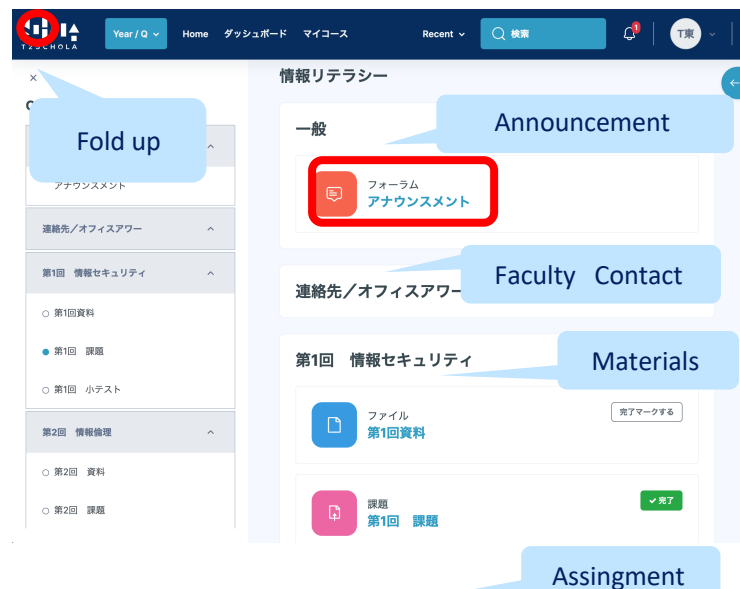

here are "Course Search" and "Site Announcements".  
"The "Site Announcements" section displays communications from T2SCHOLA.

## ◆Course Screen

When you enter the course, you will see the screen below. For each class session, materials and assignments are posted.

When faculty members post announcements, students are automatically notified by email.

## ◆Uploading course materials and submitting assignments

The phrase [Turn editing on] has been eliminated and the button is now simply slid.

Blue: Editable Gray: Not editable

Click [Add an activity or resource] under the topic.  
Please select what you would like to add to the course.

## ◆Assignments

## ◆Right corner

The block is usually folded and can be opened by clicking on the light blue arrow icon in the upper right corner of the screen.

"Course visibility", "Cancellation notice", and various user guides will be displayed.

## ◆Contact Us

If you have any questions about T2SCHOLA, please click the Help button at the bottom of the screen.
