

How to use T2SCHOLA

In Tokyo Tech, the learning management system, T2SCHOLA, is available to share class materials and videos with students and to communicate with them.

The following page appears by logging in the Tokyo Tech portal and clicking the “T2SCHOLA” link button.

◆Set the language setting to English

1. Click on Name Icon
2. Click on “言語設定”
3. Click on “English”

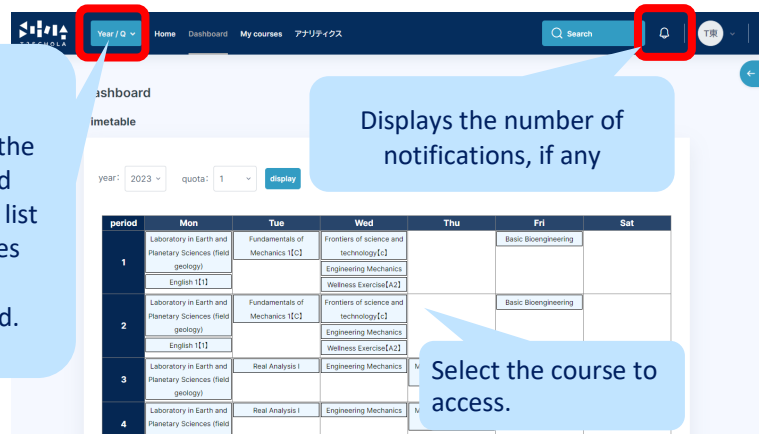

After selecting the year and quarter, a list of courses will be displayed.

Language selector

- English (en)
- 日本語 (ja)

◆Dashboard

The registered courses will be displayed as a timetable.

Displays the number of notifications, if any

Select the course to access.

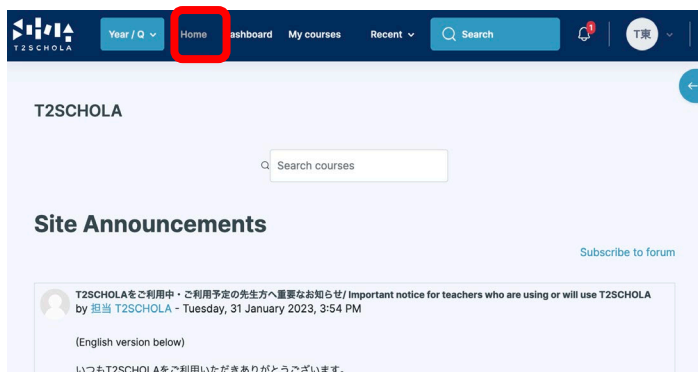

period	Mon	Tue	Wed	Thu	Fri	Sat
1	Laboratory in Earth and Planetary Sciences (field geology) English [11]	Fundamentals of Mechanics 1[C] English [11]	Frontiers of science and technology[C1] Engineering Mechanics Wellness Exercise[A2]		Basic Bioengineering	
2	Laboratory in Earth and Planetary Sciences (field geology) English [11]	Fundamentals of Mechanics 1[C] English [11]	Frontiers of science and technology[C1] Engineering Mechanics Wellness Exercise[A2]		Basic Bioengineering	
3	Laboratory in Earth and Planetary Sciences (field geology)	Real Analysis I	Engineering Mechanics			
4	Laboratory in Earth and Planetary Sciences (field geology)	Real Analysis I	Engineering Mechanics			

If you wish to use the screen that was set as the homepage for FY2023, you can access it from “My courses” in the header menu.

Courses set as disabled cannot be accessed from the timetable, even if they are the courses you manage. Please access the specific course from “My courses” or “Course Search” on the “Home” screen (refer to below).

◆Home screen

here are "Course Search" and "Site Announcements".
"The "Site Announcements" section displays communications from T2SCHOLA.

◆Course visibility

In FY2024, the course is initially set to “Show (Enabled)” for the students. When you change the course visibility to “Hide (Disabled)”, the students will not be able to access the course.

◆Uploading course materials and submitting assignments

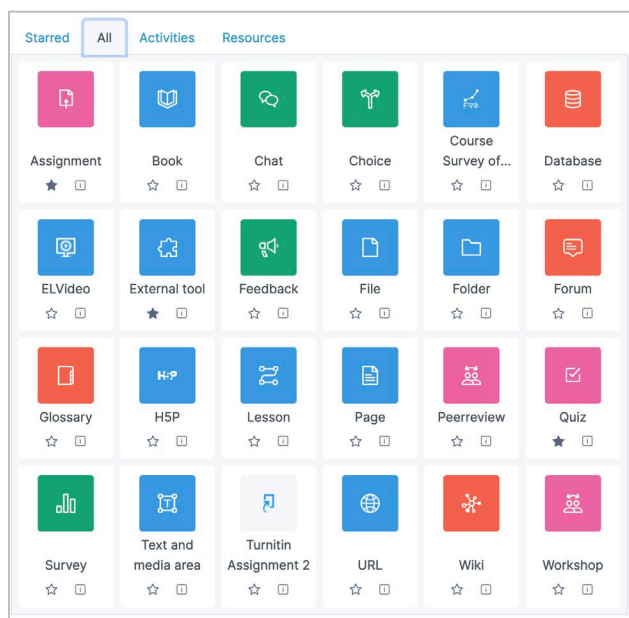

The phrase [Turn editing on] has been eliminated and the button is now simply slid.

Blue: Editable Gray: Not editable

Click [Add an activity or resource] under the topic.

Please select what you would like to add to the course.

◆Assignments

Assignment name

Description

Displayed on the first screen of the issue

☐ Display description on course page

Activity instructions

Displayed on the Assignment Submission screen

Additional files

Maximum size for new files: 512 MB

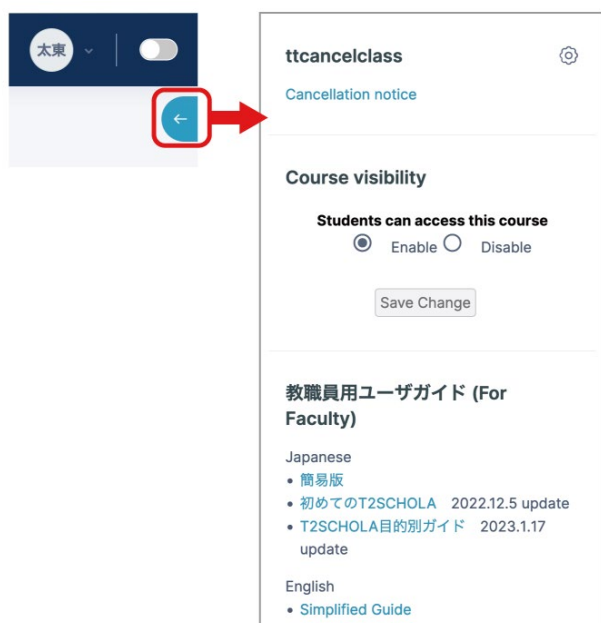

☐ Only show files during submission

If checked, the file will appear on the assignment submission screen

◆Right corner

The block is usually folded and can be opened by clicking on the light blue arrow icon in the upper right corner of the screen.

"Course visibility", "Cancellation notice", and various user guides will be displayed.

◆Contact Us

If you have any questions about T2SCHOLA, please click the Help button at the bottom of the screen.
